

Northeast Park Neighborhood Meeting Minutes for February 8, 2011

Chair, Brian Steele called the meeting to order at 6:35pm. There were no meeting minutes for review/approval.

Liz Neerland from the Nimbus Theatre located at 1517 Central Avenue in the old MM&E building. They signed a long-term lease with the owner of the property but they need a zoning change (industrial overlay) to allow them to operate a 75 seat public performance space. A hearing of the City Planning will be held on Feb. 22, 2011 for the conditional use permit and our input is needed. Liz said they are a small independent theatre company that has been around for 10 years. They produce three shows a year and will rent the out to others when they are not using it.

MacKenzie Turner-Bargen from Kevin Reich's office and she spoke to the group as they are working on determining policy direction based on the comprehensive plan. Goal is to have one document that summarizes the goals, projects and programs so that when funds are available the plan can be utilized. The NRP planning process will be used to obtain the neighborhood priorities. MacKenzie will be working on the document with each neighborhood starting with Audubon and Logan with a timeline for neighborhood presentations in June.

Brian had some updates. CDGB Funds are done. Application to NCEC and the use of Phase 1 and Phase II dollars, Conflict of Interest, Paint-a-thon and then there was a \$10 Eastside Coop give away.

The meeting was adjourned at 8:35 PM.
