

Details given on city criteria for Robust Community Engagement Plan

3 determinations: Communication
 Targeted Outreach
 Support

Survey has had 125 responses so far
Community Engagement Event

Priorities moving forward:

increased renter engagement
accessibility for non-english speakers

Suggestions: priorities → projects → budget

1st priority: enhancing green spaces
community garden: NRP \$ for building or replacement; not maintenance
land options? Ask Park Board rep. At February meeting
committee brought up and signup was begun
More green space ideas: dog park?
 opportunities for tree replacement
 standing invitation for Park Board members

Next Meeting (8. February) to focus on the park

Improving upkeep on housing:

Grant program, Loan program, or mixed offering
committee will reach out to CEE, CRF, and neighbor.org
committee is waiting for city to report back on possible programs
\$32,000 of NEPNA's total budget MUST be allocated for housing (original budget not yet
spent)

Renter outreach is one option for these dollars
further surveys, doorknocking

Jack has a list of city-approved Housing categories/projects

Kate will reach out to CEE

karina will compile a list of city-wide resources for home loans/grants
energy efficiency/solar projects
environmentally friendly programming

March meeting will focus on “Speed Bumps & Solar Power”

Community cleanup day (coordinate with Earth Day?)
