### **Annual event planning:**

Neighbors discussed hosting a NNO event and determined to move the regular NNO event to the end of September and begin an annual event called NEPNA Fest due to resident concerns of taking away from neighbor block parties.

The board approved last Monday of September for the event and confirmed the date with Heidi from the Rec Center. Heidi offered to hire a face painter, Mr. Fun, and work to get additional entertainment. Nicolle said she would work on getting food sponsorship. September and Katie discussed connecting with resources in the community to provide affordable and low costing options to work in accordance with EEF funding requirements. Marissa volunteered her husband to make the postcards and Katie will talk with Minute Man Printing about yard signs.

**The Board approved \$1,500 budget for the event unanimously.**

### **NE/SE Soccer Anniversary Celebration:**

Heidi presented on the plan for the event. Neighbors proposed that NEPNA could table and provide popcorn. Heidi stated the Parks can rent a popcorn machine. Board members agreed to table at the later part of the event and the beginning of the movie in the park to provide popcorn to attendees and to advertise NEPNA as well as the environmental event. Katie will have postcards ready for the event.
