Presentation on Share Resource Fund Work:

20k grant from city to perform this study, 325 cumulative hours on this project.
Methods exploring this project, survey process mapping demographics, legal, funding etc.

Current status of neighborhoods for Logan Park, St Anthony East, Beltrami, Northeast

Current budget info available in presentation

Same presentation as the 9/29/22 meeting. Information presented on project slides.
In 1-6 years the neighborhood associations might not be feasible with current budgets.

Questions - Major reason is budget, other neighborhood orgs are also looking at mergers our proposal is furthest along with most work put in. Questions on spending, financial reports will be made available.
